volume discounts

You receive \$1.00 off for every two dozen mini cupcakes, \$2.00 off for every dozen Molly cupcakes and \$3.00 off for every dozen center-filled cupcakes that you order.

toppings

We offer a wide range of toppings ... almost any type of candy or sprinkle you can imagine. We also offer edible pearls, chocolate curls or fruit for a more 'classy' look. These typically cost \$2 per dozen.

color and writing

Add a personal touch to your cupcake or cake by adding a letter or message. Cost varies by amount and detail of writing. We can also dye our frostings to match most colors. If you have a very specific color that is needed, we suggest bringing in a sample/swatch to ensure that we get the right color. We charge \$3 to \$10 per color, depending on quantity.

center-filled

We offer about 12 different center-filled cupcakes everyday and have additional seasonal flavors. Most of our center-filled cupcakes can be turned into cakes.

delivery

Local delivery charges are \$25. (Rates increase depending on distance, with 35-40 mile maximum radius.) We do offer set-up for an additional \$25. Cupcake stands are also available to rent for \$20.

tasting

We'd be happy to set up a complimentary tasting Monday through Friday. Please call the bakery or email weddings@icmollys.com to set up an appointment.
